PORTAL TERMS AND CONDITIONS

- Full access to a minor/child's portal account automatically expires at the age of 18. To comply with state law, privacy of certain protected health information may affect the portals of patients who are teens (age 13 – 17).
- A minor who is a teen (age 13 – 17) may activate their own Portal account.
- The Portals contain selected, limited medical information from a patient's medical record and does not reflect the complete contents of the medical record.

By signing below, I agree to the following:

- I am entitled to access the patient's protected health information as their parent or legally appointed guardian.
- My rights to access the patient's protected health information have not been modified in any manner by any court of law.
- The documents I have provided in support of my right to access the patient's protected health information, if any, are true and correct copies and are the most recent documents related to this matter.
