

Together, we can save lives.

We are honored by – and grateful for – the incredible outpouring of support from our community.

Here's how you can help us fight COVID-19:

FLATTEN THE CURVE

Do your part in stopping the spread by following the advice and mandates of health officials. Stay home, practice social distancing, cover coughs and sneezes, wash your hands and more. For further information, visit stamfordhealth.org/covid-19 and click on Ways to Help.

DONATE TO THE STAMFORD HOSPITAL FOUNDATION

Consider a gift to Stamford Health's COVID-19 Pandemic Response Fund (CPR-F). Gifts will help us respond to all patient needs during this time. To donate, visit stamfordhospitalfoundation.org.

PROVIDE MEDICAL SUPPLIES

Personal protective equipment (PPE) is in short supply nationwide. For guidelines, restrictions and information about where to donate, visit stamfordhealth.org/covid-19 and click on Ways to Help.

SUPPLY FOOD TO WORKERS ON THE FRONTLINE

Thank you for thinking about the wellbeing of our employees. For information about who can donate, what we can accept and where to deliver, visit stamfordhealth.org/covid-19 and click on Ways to Help.

Visit us at stamfordhealth.org/covid-19 for up-to-date information as we fight COVID-19 and protect our community.

Together, we will get through this. Thank you.
